

**Ice Dragon A&S 2006
A&S Competition Categories**

Below you will find LETTER categories A thru R.

Individual entries are welcome in all categories for the A&S competition. You do not have to enter a "Pent" to enter the Category competitions. This year there will be the traditional "Singles Pent" (5-Letter category entries per entrant). In addition, there will be two more Pentathlons: The Novice Pentathlon and the Group Pentathlon. Rules for all three Pents will be published at the beginning of October 2006 at this website.

NOTE: Many Letter Categories have subcategories. Subcategories are not considered individual categories for the purpose of Pentathlon entries. In other words, if you enter 2 entries in Category Letter B. Fiber Arts (one in B1, Spinning/Fiber manipulation and one in B2, Weaving) you will 'qualify' for only ONE Letter entry if you are entering a Pentathlon competition.
